This form is not needed for any curriculum originating from a Nazarene institution (i.e., Nazarene Publishing House, Beacon Hill Press, House Studio, NMI (Nazarene Missions Intl.), NYI (Nazarene Youth Intl., etc.).

Any publication from the Wesleyan Church or the Free Methodist Church conditionally approved. Both denominations are very closely doctrinally and spiritually aligned with the Church of the Nazarene. Notifying the SSDM Board of the curriculum is acceptable. If there any concerns that you might have, please contact the SSDM Board.

Any non-curriculum based discussion/study of Scripture is also automatically approved, as we believe the Word of God should be spoken and shared.
